

JOB TITLE: Construction Laborer

REPORTS TO: Construction Site Supervisor

JOB TYPE: Full Time

COMPENSATION: \$18/hour to \$22/hour

ABOUT INVERSION DESIGN BUILD:

Inversion Design Build is a design build firm based in Yakima, Washington. We are a four-person architect-led design/build firm but traditional architectural practice is only a portion of our work. We design new solutions for our nonprofit affordable housing partners and we develop our own housing with our in-house construction arm. If you like making sawdust, measuring twice, and tackling systemic problems in creative ways then you will be at home here. We believe in a future where housing is in harmony with community needs and has room to shift and accommodate change over time.

As a small and relatively new firm, you will have an active role in many aspects of projects, as you integrate into our team we want to train and mentor you as a professional based on your strengths and interests.

JOB SUMMARY:

The Construction Laborers will, under the direction of the Construction Site Supervisor, perform a wide range of physical labor tasks to assist in building.

RESPONSIBILITIES:

- Rough framing
- Maintaining a clean and orderly construction site
- Loading and unloading materials and equipment
- Operate a variety of hand and power tools
- Following instructions from supervisor and implementing construction plans
- Concrete
- Siding
- Painting
- Other related duties as assigned

NEED TO HAVE:

- Alignment with Inversion's mission to "afford anyone the chance to own a home"
- Commitment to safe jobsite practices
- Strong supervisory and leadership skills
- Valid driver's license
- Must be legally authorized to work in the United States

NICE TO HAVE

- 2+ years construction or manufacturing experience
- Knowledge of construction methods and technologies, and ability to interpret technical drawings
- Working knowledge of green building practices

PHYSICAL REQUIREMENTS:

- Must be able to safely traverse and inspect all areas of jobs: this may include walking, climbing, reaching, bending, crawling or stretching
- Must be able to lift up to 50 pounds at a time
- Exposure to characteristic construction site dangers

HOW TO APPLY:

Email resume: tracy@inversiondesignbuild.com.
in the body of the email please tell us why you would be a good fit for this position and our firm.

Applications will be reviewed on a rolling basis.

If you have any questions direct them to Tracy at the above email address, please no phone calls.
